Hi Tom and Rosemary. We need to provide presidential transition documents to support the Regional transition document. I took the most recent huddle papers and edited them into the fact sheet format. Can you please review for content and confirm all the information is public? This is due today- I apologize for the short notice.

Thanks, Erica

All,

Attached is the Region 4 Fact Sheet that was prepared as part of the presidential transition documents. We have the opportunity to submit briefing papers to support any issues in which more information would be beneficial. If there is an area you feel the transition team would need more in-depth information, please send me the briefing paper no later than October 13th. This will be used to supplement the fact sheet. For formatting purposes follow the format of the Fact Sheet. This should be for issues specific to Region 4 only. The NPMs are working on the cross agency briefing documents.

Please let me know if you have any questions.
